It has been just over a year ago that our club had its last cocktail party at this popular Roswell restaurant. So come out and experience **AQUA BLUE'S** award winning Global Cuisine and Distinguished list of over 50 Wines, recognized by Jezebel, Wine Spectator and Zagat connoisseur publications. From steaks and chops to deliciously prepared seafood and premium sushi, the restaurant impresses with variety and the freshest, seasonal ingredients available. Their delicious cuisine can be enjoyed with Classic Cocktails and Signature Martinis or an extensive choice of Wines by the Glass. You'll also appreciate the warm ambiance that the interior design and décor presents along with the professional and courteous service of their wait staff.
