This month we celebrate the 'Last Cocktail Party of 2017'. Thanks to member Pam Sammons for suggesting Bite Bistro & Bar (BBB), located in the popular Alpharetta area, to be our November cocktail party site. Owner and chef Leif Johnson attributes his repeat customer base and word of mouth success to always using good products, making interesting and creative food and doing this at fair prices for his customers. Before moving to Georgia, Leif was an executive chef at a winery in California. He combines his classical training of culinary school with his hard knocks education to come up with his creative dishes. Growing up, he spent time with his grandmother who taught him the basics of cooking. In college, he studied business. Combining the experience, the talent and the passion for what he does, Bite offers an eclectic menu that Leif calls "New American." This gives him the liberty to pull flavors from different profiles including Asian, Latin, and East coast dishes that he is able to weave together to come up with a unique yet familiar cuisine. You should note that BBB offers live music on Friday and Saturday nights and 'Wine down Wednesdays' when select bottles of wine are half priced if entrees are chosen from the menu. Consider staying for dinner....you won't regret it!

**Please Note: A 20% Gratuity will be added to your bill!**

**\*\*Thanks to General Manager, David Herman, for helping to arrange our party.\*\***

**Directions:** GA 400 to Exit 10 (Old Milton Pkwy), turn right (east) travel to Kimball Bridge Road – turn left. Now make another left on Webb Bridge Way followed by an immediate right into the parking lot. BBB is the corner building.
