Alert!!.....Members and guests living in East Cobb take note! This party is in your neighborhood; so I expect a good turnout. CAMPS recently opened in early February and is located just off of Johnson Ferry Rd and Paper Mill Rd. Owner, Robert Caswick, indicates that Camps is the 'sister' concept to Hearth Pizza Tavern in Sandy Springs.

Camps is a rustic gathering place where food, drink, and community come together. You won't go hungry with the eclectic American menu featuring wood burning hearth prepared pizzas and such main dishes as Teriyaki Salmon and Chicken Parmesan. With a fully stocked bar, the bar lounge (*our club's meeting area with a private bar set-up and 'drink specials'*) is the best spot to relax and enjoy friendly conversation. Outside, the patio looks over an idyllic pond, perfect for a drink or a bite in the fresh air.

****Note: A 20% gratuity will be added to all drink sales****

Directions: From Johnson's Ferry Rd turn onto Paper Mill Rd; then a short distance turn right onto Village Parkway and into the parking lot on the left.
