We are in for a treat this month as we will meet at The CAPITAL GRILLE in Dunwoody (not the Buckhead location), but in the PERIMETER MALL area.

This restaurant has received rave reviews and declares, "We want every experience you have at The Capital Grille to be exceptional and memorable". They go on to say, "It is our sole desire that everything, and we mean everything, that arrives at your table delights you".

Should you and your friends decide to stay over for dinner, you'll be able to relax and enjoy the culinary artistry of the nationally acclaimed steaks, chops, and seafood. In addition, a wine connoisseur will be delighted to scroll down their award-winning wine menu.

Thanks to DANIELLE COLE, Sales Manager, for helping to arrange our party.

We will be meeting in the lounge and patio area!

DIRECTIONS: I-285 to Ashford Dunwoody Rd (north). Turn left onto Perimeter Center West and the restaurant will be on the left next to SEASONS 52 restaurant.
