Club members and guests will be excited to experience the hospitality of this popular Roswell restaurant. Located in the right corner of the CONNEXION Shopping Center, this restaurant will appeal to your culinary senses with the menu satisfying the most discretionary taste buds.

Chef MEL TOLEDO, chef and owner of Foundation Social Eatery, brings nearly 15 years of cooking in some of the best kitchens in Atlanta, California, France and elsewhere. Lately of Century House Tavern in Atlanta, the chef also sharpened his cooking skills in the legendary Atlanta kitchen of Bacchanalia and at the oft-lamented Posh, named Atlanta's best new restaurant when it opened in 2007, as well as earning a spot in Gayot's Top 10 new U.S. restaurants in that year! *Mel's dream of opening his own restaurant became a reality in March 2014 when he and his wife Sandy opened the Foundation Social Eatery.*

NOTE: We will be located in the bar area with light hors d'oeuvres being served in a back room adjacent to a lovely outdoor patio (available weather permitting).
