This month we venture to nancy g's café conveniently located in Sandy Springs. Let's help Nancy celebrate her restaurant's 10<sup>th</sup> Anniversary serving up affordable contemporary Southern cuisine only using the freshest ingredients in a relaxed 'at home' atmosphere. As I scanned over the menu I realized 'there was something for everyone!' Popular dinner entrees included Enchanted Springs Trout, Pan Seared Salmon, and Springer Mt Fried Chicken. On the light side there was a plethora of 'hand-held' sandwiches of which the Salmon BLT caught my eye and inquisitive taste-buds! I should also mention there is a wonderful assortment of delicious salads and sides to choose from.

**Note: We will be located in the rear of the restaurant next to the bar -- which will be offering \$5.00 house red and white glasses of wine.**

**DIRECTIONS:** I 285 to Roswell Rd. Go **south** about 1 mile and on the right enter Fountain Oaks Shopping Center at Long Island Drive. Nancy G's is in the far left corner !
