Welcome to Fire & Brimstone Tavern

Brimstone Tavern is a local family-owned sports bar on the south end of North Point Mall. We are located at the intersection of Mansell Road and Old Alabama Connector, in the same shopping complex as Fancy Pantry.

On one side of the restaurant, we also have a large private room, great for working professionals can not only convert into their office but also use it as a meeting and training room. With our super-fast free WiFi, firewall technology in the industry; This large event space is fully-equipped with a PA system, a projector, and smart TVs, perfect for corporate events, local Meet-Ups, as well as family events, such as wedding rehearsals, birthday parties, Bar Mitzvahs, and more!

Our chef-inspired menu features comfort food with international flavors. For example, our gourmet burgers are more than your idea of a traditional cheeseburger because of our signature sauces and other top-secret ingredients! Our burgers also feature an optional gluten-free bun. We also have vegetarian (and vegan) options like a spicy black bean burger, fried pickles, gourmet salads, and other options.

Our sports bar has an extremely large selection of whiskeys (single malts/blended) and bourbons. We feature local craft beer on tap to support local breweries and give our customers a taste of what your neighborhood businesses can do.

We are not just about food and drink, we are about Entertainment! For this very reason, we bring nightly activities, such as Trivia, Bingo, Poker, Live Music & stand-up Comedy Club Night for our customers.
